Dear Dean / Program Director / Researchers,

On behalf of Graduate School of Business, Assumption University, I am pleased to invite you to the International Conference on Entrepreneurship and Sustainability in the Digital Era (ICESDE 2018). The Conference will take place on May 25, 2018 at Assumption University, Bangkok, Thailand.

As an interdisciplinary forum, the conference brings together scholars, practitioners, and graduate students from the region and beyond to discuss their research findings on how environmental-friendly and socially-inclusive growth and success can be sustained in the digital era, in Thailand in particular as it recently embarked on Industry 4.0. Keynote and feature speakers will provide a variety of perspectives on the conference themes. I strongly wish that such creation of new knowledge at this forum—be it from the papers being presented or from the exchange and discussion over the presentations—would produce the added values on our mutual quest for knowledge, thereby benefiting our respective communities and countries.

We are pleased to invite you and your students to attend and submit research paper at this conference.

Kindly respond to this invitation before April 8, 2018 to secure a place before announcement of the qualifying papers on April 19, 2018.

We look forward to seeing you at the ICESDE 2018 in Bangkok, Thailand.

Respectfully Yours,

K. Phothikitti
