Subject: Call for Papers - The 12th International Conference on Business and Industrial Research (ICBIR2027)

Dear President,

The 12th International Conference on Business and Industrial Research (ICBIR2027) is a multidisciplinary academic conference which organized by Technology Promotion Association (Thailand-Japan) (TPA), Artificial Intelligence Association of Thailand (AIAT), and Thai-Nichi Institute of Technology (TNI). The ICBIR2027 will be on 13–14 May 2027 at the Sommai-Hozumi hall of Thai-Nichi Institute of Technology, Bangkok, Thailand.

ICBIR2027 will provide opportunities for the national and international researchers, academicians, business persons and students to interact and exchange ideas, experience and expertise in the current trend and upcoming technologies. Besides this, participants will have the opportunity to meet people with similar research interests which can lead to future research cooperation. The need for a multidisciplinary conference is to make transdisciplinary collaboration among researchers from around the globe. The areas of research covered by ICBIR are the most disruptive technologies currently undergoing a massive transformation. This conference is planned as the onsite conference. Sightseeing opportunities also will be provided to participants.

For the participants who are IEEE members, AIAT members and TNI's partner universities' faculty and students, will receive a 10% discount of registration fee.

I cordially invite you to submit your research articles and participate in ICBIR2027. We also would like to ask your favor to distribute call for paper submission of ICBIR2027 to your institution's members and the researchers in your connection networks.

Yours sincerely,

Assoc. Prof. Rungsun Lertnaisat
President of Thai-Nichi Institute of Technology
