Subject: Invitation to Participate and Submit Your Research Manuscript to iSAI-NLP 2026

Dear Scholars, Researchers, and Experts in Artificial Intelligence and Natural Language Processing,

On behalf of the **Artificial Intelligence Association of Thailand (AIAT)**, we are pleased to invite you to participate in **the 21st International Joint Symposium on Artificial Intelligence and Natural Language Processing (iSAI-NLP 2026)**, which will be held during **November 19–21, 2026**, at **Ramada Plaza by Wyndham Bangkok Menam Riverside, Bangkok, Thailand**. The conference will be organized in a **hybrid format**, welcoming both on-site and virtual participants from around the world.

iSAI-NLP 2026 will be held under the theme:

“One Team, Shared Autonomy: Elevating Human-AI Collaboration for the Future.”

The conference aims to promote knowledge exchange, research collaboration, and technological advancement among researchers, academics, and experts in the fields of Artificial Intelligence, Natural Language Processing, and related intelligent technologies. It will provide an excellent international platform for participants to present their latest research, share insights, strengthen academic networks, and explore meaningful collaborations.

The conference covers a broad range of topics, including Natural Language Processing, Machine Learning, Data Analytics, Robotics, IoT, Embedded Systems, Signal and Image Processing, Speech Processing, Smart Industrial Technologies, Cybersecurity, AI Governance, Ethics and Policy, and practical AI use cases across various domains.

Topics of interest include, but are not limited to

Track 1: Natural Language Processing
Track 2: Robotics, IoT and Embedded System
Track 3: Data Analytic and Machine Learning
Track 4: Signal, Image and Speech Processing
Track 5: Smart Industrial Technologies
Track 6: AIoT Design and Applications
Track 7: Management Technology
Track 8: Security in IoT
Track 9: AI Governance, Ethics and Policy
Track 10: AI Use Cases

We cordially invite researchers and experts in these areas to submit their papers and present their work at iSAI-NLP 2026. The conference will offer a valuable opportunity to engage in scholarly dialogue, exchange innovative ideas, build international partnerships, and contribute to the advancement of intelligent technologies for a smarter and more sustainable society.
